Copy of letter No.621/51-A.1 dated 8-8-51.

Sir,

Sub: Mining - P.L. - Lead sulphide and calcite - Hospet Taluk. Metri village - S.Nos.31.A. etc. - application of Sri R. Gangadharappa of Kakubal report submitted.

Sri . R. Gangadharappa of Kakubal village in Hospet Taluk has applied for the grant of a prospecting licence for 2 years to prospect for and mine lead ~~xxxx~~ sulphide and calcite over an extent of 54-97 ~~xx~~ acres comprising S.Nos.31.A. 31.B, 31.C., 31.D., 32 and 28 of Metri village in Hospet Taluk. The application is in order. The applicant has credited Rs.50/- towards the application fee as laid down in rule 15 of the Mine Concession Rules in chalan No.81/26-12-50 in Hospet Sub-Treasury.

S.Nos.31.B, 31,C., 31.D., and 32 are classed as village service and devadayam inams and S.No.28 is classed as vanka poramboke. These lands fall under group (c) in para (1) of Ch.V. of Madras Mining Manual wherein the Government claim full right over the minerals. As the lands applied for are not classed as Reserve Forest, the opinion of the District Forest Officer, has been dispensed with. The Tahsildar Hospet recommends the grant of the prospecting licence to the applicant. The certificate of approval held by the applicant has been renewed for 1951 in Government memo No. 75 Development dated 3--4--51.

Lead is one of the minerals mentioned in Schedule IV of the Mineral Concessions Rules. Under the Rule 13(3) the approval of the Central Government is necessary for granting the prospecting licence. As the applicant is an Indian citizen holding a certificate of approval in this state, there is no valid objection for granting a prospecting licence for lead. The application is therefore recommended.

Under rule 23(1) the maximum amount of Re.1/- per acre may be fixed as prospecting fee as the area of the site applied for is only 54-97 acres.

The original and the revised applications, the chalan and a sketch showing the area applied for are enclosed.

Copy of letter No.RC.621/51 A.1 dated 1-9-51.

Conditions to be imposed in a Prospecting Licence with reference to rule 23 (2) of the Mineral Concessions Rules 1949.

(1) the licensee should keep the stocks of beryl or any other prescribed substance under Sec. 3 of the Atomic Energy Act No. XLIX of 1948 if they occur in the property covered by the licence with a view to making them available to the Government of India.

(2) the licensee shall pay the royalties due to the Government into any Government treasury half-yearly on the first June and the first December every year. He shall pay the prospecting fee prescribed for before the licence is issued to him.

(3) the licensee shall pay reasonable compensation for all damages any injury which may be caused by him in the exercise of any of the powers conferred by the licence.

(4) the licensee shall indemnify the Government of Madras against all claims and suitswhich may be made or brought by any person in respect of any damage injury or disturbance caused by the licensee.

(5) the licensee shall not cut or injure any timber or tree without the written permission of the Collector or of any officer appointed in their behalf.

(6) the licensee shall not work or carry on any operations in or under the lands covered by the licence at or to any point within a distance of 50 yards from any railway reservoir, canal or other public work or any building or inhabited site shown on the plan thatwill be annexed with the licence date except with the previous permission in writing of the Governor or some officer authorised by him in that behalf or otherwise than in accordance with such instructions and conditions either general or special which may be attached to such permission. The said distance of 50 yards shall be measured in the case of a railway reservoir or canal horizontally from the outer toe of the bank or the outer edge of the cutting as the case may be and in the case of building horizontally from the plinth thereof. For the purpose of this clause the expression "Railway" shall have the same meaning as in the Indian Railway Act, 1890.

(7) (a) the licensee shall not enter upon or commence prospecting in any reserve forest situate upon the said lnds without thirty days previous notice in writing to the District Forest Officer, nor without obtaining the written sanction of that officer nor otherwise than in accordance with such condition as that officer may in his absolute discretion prescribe.

(b) the area without the reserved forest limits must be demarcated by a declared fire lineof 40 feet widewhich will be cut andkept cleared by the Forest Department at the expanse of the licensee.

(c) the licensee mustat all times permit the Forest Department to enter upon the land for the purpose of maintaining or repairing existing boundary lines within the area and must pay the cost of such maintenance or repairxxas determined by the District Forest Officer.

(d) the licensee must take suitable precautions to prevent firest from spreading into the adjoining reserve forest from the land and ifsuch fires accidentally occur he must render all possible assistance in putting them out.

P.T.O.

6

(c) the licensee shall not cut any trees or growth on the area granted in excess of 20 per centm of the number of trees on the whole area under the licence without the previous permission, of the District Forest Officer and the value of such trees, etc. shall be paid for by the licensee at rates to be fixed by the District Forest Officer. He must not deface or interfere with any boundary stone or marks; if any boundary mark is accidentally damaged, he must bring the matter immediately to the notice of the Range Officer.

(8) If any buildings, plants, engines, machinery, implements or other preoperty are not removed by the licensee within one month and are left over after determination of the licence, they shall be deemed to become the property of the Government and may be sold or disposed of in such a manner as the Government shall deem fit without liability to pay any compensation in respect of them.

(9) in the event of the existence of a state of war or grave national emergency of which the Government will be the sole judge ~~xhxx~~ the Government after due notice in writing of their intention to do so, may forthwith take possession or assume control of the works, plant and machinery on the mining operations after payment of a fair compensation.

Letter No. 101439-J/51-1, dated 26-9-1951.

To

The Secretary to Govt. of India,
Ministry of Natural Resources and Scientific
~~Research~~ Research, New Delhi.

Sir,

Sub:- Mines- Prospecting Licence- Lead Sulphide and Calcite- Bellary Dt- Hospet Taluk- Metri Village- Application of R. Gangadarappa.

I am directed to state that Sri R. Gangadharappa of Kakubal village, Bellary Dt, has applied for the grant of a P.L. for lead sulphide and calcite for a period of two years over an extent of 54.97 acres in Metri village, Hospet Taluk, Bellary dt. ~~The Govt. of Madras have no objection to the grant of the licence applied for.~~ According to rule 13(3) of the M.C. Rules, the prior approval of the Govt. of India is necessary for the grant of a prospecting licence for lead sulphide, as it is a lead ore, a mineral included in Schedule IV to the M.C. Rules. There being no other application for ~~P.L.~~ prospecting licence over the same area, the Govt. of Madras are prepared to grant a ~~P.L.~~ prospecting licence as applied for, to this applicant. I am accordingly to request that the prior approval of the Govt. of India may be accorded for the grant by this Govt. of a ~~P.L.~~ prospecting licence to Sri R. Gangadarappa for calcite and lead sulphide as well.

2. I am also to request that the rate of royalty which has to be levied on the mineral 'lead sulphide' may also be specified.
